

V BIANCO

PURE WHITENING SYSTEM

THE ULTIMATE SOLUTION FOR
HYPERPIGMENTATION PROBLEMS

WHAT'S V BIANCO?

A professional cosmetic system designed to reduce **melanic spots**, **improve skin brightness** and **rejuvenate the skin** thanks to the **synergistic action** of **active ingredients**.

A complete system that allows to eliminate the most common **skin imperfections** related to **hyperpigmentation** and promote an **effective** and **fast skin regeneration**.

PHARMACEUTICAL ACTIVE
INGREDIENTS USED
SYNERGISTICALLY IN A
COSMETIC SYSTEM.

Our System is **unique** and **effective** because it uses
innovative and standard ingredients in
a **synergistic action**:
Acids, minerals and **peptides**, appropriately
conveyed with a **unique methodology**.
